Atlanta Homeless Shelters & Services For The Needy

Welcome to our Atlanta, Georgia Homeless Shelters and Services for the needy page. Below are all of the homeless shelters and services for the needy that provide help to those in need for Atlanta, GA and surrounding cities. We also provide other homeless resources such as transitional resources for the homeless. Homeless clinic and treatment center resources are also provided on the right navigational bar. Many shelters also provide services such as alcohol and drug rehab treatment along with clinics. I try to provide as much information as possible on my details pages.

In these tough times, shelters are needing your donation help more than ever. Contact the shelters at the phone numbers provided to donate your items. Most shelters also are always looking for volunteers. Look to your homeless shelters for volunteer opportunities. I list addresses, phone numbers, websites and shelter comments on my shelter details pages. Please help and get involved.
