"Our uniform is part of our school identity, uniting our students and we hope that they take pride in wearing it."
- Bryn Thomas

We believe that a Dress Code policy is important because scholars should be dressed comfortably at all times in a manner that is not intrusive to the learning environment or threatens the safety of others. Dress Codes should not be a barrier to learning and should promote school pride and unity.

The scholar Dress Code policy at KIPP Metro Atlanta is that ALL scholars are expected to wear the required Dress Code every day, unless otherwise indicated.

Dress Code is checked daily during Morning Arrival. Scholars who are out of Dress Code will be given an opportunity to call home to obtain the correct items. Scholars will return to class once the correction is made.

The Dress Code is in effect any time scholars are in the school building and any events that occur during the school day, unless otherwise notified.
