

What is a School-Family Compact?

An agreement that parents/families, students, and teachers develop together. It explains how parents/families and teachers work together to ensure all students reach and exceed Georgia's high academic standards.

Jointly Developed

The School-Family Compact was jointly developed with parents, students, and staff. The School-Family Compact is reviewed and revised every year with input from all stakeholders. Teachers suggested home learning strategies, parents added input about the support they needed, and the students told us what would help them learn. Parents were also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding Family Engagement programs. Feedback is also welcomed throughout the year.

Our Goals for Student Achievement

2021-2022 District Goals

Ensure that all FCS students graduate prepared to pursue their chosen paths -- whether college, career or military -- and to succeed on those paths after high school by focusing on four top priorities over the next five years:

- **Student Achievement** - Prepare students with strong academic foundations and the skills needed to navigate life beyond graduation
- **People and Culture** - Provide a welcoming environment and positive school and district culture for students, families and employees
- **Community Collaboration** - Engage families, community members and civic organizations as active partners
- **Fiscal Responsibility** - Manage and protect public funds and assets through efficient and effective use of available resources
